FARMA

A man and a woman are walking away from the camera in a vast, open field. The man on the left is wearing a light-colored long-sleeved shirt, dark overalls, and a wide-brimmed hat, and is holding a long wooden staff. The woman on the right is wearing a dark t-shirt, dark overalls, and white boots, and is carrying a black bucket. The background is a bright, hazy sunset or sunrise over a flat landscape. The overall tone is warm and nostalgic.

Once upon a time there were a Farmer, a Dairyman and a Butcher. They lived on the Farm in harmony with nature, of which they themselves are a part. Aware of their existence and the existence of everything around them, they directed all their work and effort to live with the meaning of their existence. They liked to be visited by both known and unknown guests, to eat healthy and to give their families the opportunity to eat healthy. Our three noble men, Farmer, Dairyman and Butcher still live on our Farm, smiling and happy to have people who understand the importance of a healthy lifestyle. Welcome, oh you wonderful people.

APPETIZERS

A vertical photograph of a golden wheat field at sunset. The sun is low on the horizon, creating a bright glow and long shadows. The wheat stalks are in the foreground, and the field extends to the horizon. The sky is a mix of blue and orange. The word 'APPETIZERS' is written in a white, serif font across the middle of the image.
